

Veterinary clinic cleaning: what we clean

After the last appointment, walk the clinic with your practice manager and mark each room.

Clinic _____ Address _____
Walked by _____ Date _____

Lobby and front counter

- ☐ Entry glass and door push plates
- ☐ Bench seating and check-in counter wiped
- ☐ Floor scale platform cleaned
- ☐ Hair lifted from corners and seating bases before mopping
- ☐ Hard floor mopped edge to edge
- ☐ Lobby bins emptied and relined
- ☐ Client restroom cleaned and refilled
- ☐ Retail shelf fronts dusted, stock left unhandled

Exam rooms

- ☐ Worked in the sequence your written protocol sets
- ☐ Exam table and countertops
- ☐ Sink and backsplash
- ☐ Cabinet faces, door handles and light switches
- ☐ Owner chairs, then the floor last
- ☐ EPA-registered disinfectant left for its label dwell time

Treatment area and surgery suite

- ☐ Counters, sinks and cabinet fronts once instruments are cleared
- ☐ Floor beneath the treatment tables
- ☐ Surgery suite cleaned with the products and order your protocol names
- ☐ Terminal clean for any booked room, fixtures and vents down to the floor

Wards and kennel rooms

- ☐ Hard floors cleaned in the areas staff open
- ☐ Walls wiped at animal height
- ☐ Outside of the cage banks wiped
- ☐ Hair pulled from tub and wet-area drains
- ☐ Noise kept low near resting animals

Staff side

- ☐ Break kitchen counters, microwave and fridge doors wiped
- ☐ Sinks scrubbed and waste removed
- ☐ Doctors' offices and locker area floors finished
- ☐ Client files, invoices and screens left as staff left them

Floors and dispensers

- ☐ Vinyl or tile strip and refinish over a weekend or in sections
- ☐ Paper towels, tissue and soap from our supplies or your stock
